Chesapeake Shakespeare Company Performs at NDHS

Senior British Literature students as well as students in the **Theatre classes** from **North Dorchester High School** and **Cambridge-South Dorchester High School** recently attended a performance of **William Shakespeare's** comedy, *A Midsummer Night's Dream*, at the NDHS auditorium. The production was staged by the **Chesapeake Shakespeare Company of Ellicott City, MD** and was brought to us free of charge through a grant from **Wells Fargo**. The production was highly **interactive**, with actors in the aisles as well as on the stage. As the hosting school, the NDHS students participated in **drama workshops** the following day given by the actors of the Chesapeake Shakespeare Company. We are indebted to both the Company and to Wells Fargo for providing our students with this enriching experience.
