## **NDHS STUDENTS PARTICIPATED IN TEEN READ WEEK**

Students at **North Dorchester High School** participated in a variety of activities recently in observance of **Teen Read Week (October 16-22)**, a celebration promoted by the **American Library Association**. Activities for the week included: **DEAR “Drop Everything and Read”**, morning announcements of **books reviews**, staff members sharing their **favorite book or author**, and a display of **college textbooks** in the classrooms to develop an awareness of **college and career reading**. The culminating activity for the week was inviting other stakeholders to a get together in the cafeteria. The **special guests** were the school’s **bus drivers, cafeteria workers, and custodians**. They were asked to bring a selection to read and joined one of the DEAR classrooms to **read with the students** at the end of the last period of the day. The activities were **well-received** by the students, with many commenting about how much they enjoyed taking time out during the day to read a book or magazine of their choice.
