South Dorchester School Student Raises Money for “Giving Tree”

The students of **South Dorchester School** raised a combined total of **\$820.00** for our school’s “**giving tree**” to help provide **Christmas presents** for children in the community who are in need. Leading the way was **Devon Doll, a 4th grader in Mrs. Robbins’ class**, who took the charge so personally that he asked his grandmother to buy him a Santa hat and a bell. Devon went to work on **Saturday, December 10th** and after a day on the job working the parking lot at **King’s Island Pride**, Devon single handedly raised **\$435.09!** Thank you so much Devon for being a real life model for this month’s **Character Pillar of Caring!**
